the fourth edition of financial accounting teaches accounting from both the preparer and user perspective to lead students to a full understanding of the impact of financial statements on business decision making the authors use the financial statements from winnebago industries throughout the chapter and end of chapter material porter norton is unique in that it also uses a competing company to winnebago monaco coach to do comparative financial analysis this is reflected throughout the text and in end of chapter problems

libby libby short wrote this text based on their belief that the subject of financial accounting is inherently interesting but financial accounting textbooks are often not they believe most financial accounting textbooks fail to demonstrate that accounting is an exciting field of study and one that is important to future careers in business when writing this text they considered career relevance as their guide when selecting material and the need to engage the student as their guide to style pedagogy and design libby libby short is the only financial accounting text to successfully implement a real world single focus company approach in every chapter students and instructors have responded very favorably to the use of focus companies and the real world financial statements the companies chosen are engaging and the decision making focus shows the relevance of financial accounting regardless of whether or not the student has chosen to major in accounting

leading contributors from both the academic and business worlds combine their theoretical and real world interests in this comprehensive up to date compendium on corporate finance among the topics covered are financial forecasting planning and control sources of funds capital budgeting and pension and profit sharing this volume also delves into the area of modern finance covering financial decisions for multinational enterprises international cash management bankruptcy and reorganization mergers and acquisitions and small business financial management

budget report for 1929 31 deals also with the operations of the fiscal year ended june 30 1928 and the estimates for the fiscal year ending june 30 1929
